To determine the availability of exemptions from the registration requirements of the Securities Act as such may relate to the offering to which this Subscription Agreement relates, the Company is relying on each investor’s representations and warranties included in this Subscription Agreement and the other information provided by each investor in connection herewith.

Prospective investors may not treat the contents of this Subscription Agreement, the Offering Circular or any of the other materials provided by the Company (collectively, the “Offering Materials”), or any prior or subsequent communications from the Company or any of its officers, employees or agents (including “Testing the Waters” materials), as investment, legal or tax advice. In making an investment decision, investors must rely on their own examinations of the Company and the terms of the offering to which this Subscription Agreement relates, including the merits and the risks involved. Each prospective investor should consult such investor’s own counsel, accountants and other professional advisors as to investment, legal, tax and other related matters concerning such investor’s proposed investment in the Company.

The Offering Materials may contain forward-looking statements and information relating to, among other things, the Company, its business plan, its operating strategy and its industries. These forward-looking statements are based on the beliefs of, assumptions made by, and information currently available to, the Company’s management. Investors are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. The Company does not undertake any obligation to revise or update these forward-looking statements to reflect events or circumstances after such date or to reflect the occurrence of unanticipated events.

2. Payment and Purchase Procedure. The Purchase Price shall be paid simultaneously with Investor's delivery of this Subscription Agreement. Investor shall deliver payment of the Purchase Price of the Subject Offered Shares in the manner set forth in Section 8 hereof. Investor acknowledges that, in order to subscribe for Offered Shares, Investor must comply fully with the purchase procedure requirements set forth in Section 8 hereof.

3. Representations and Warranties of the Company. The Company represents and warrants to Investor that each of the following is true and complete in all material respects as of the date of this Subscription Agreement:

(a) the Company is a corporation duly formed, validly existing and in good standing under the laws of the State of Nevada. The Company has all requisite power and authority to own and operate its properties and assets, to execute and deliver this Subscription Agreement, the Subject Offered Shares and any other agreements or instruments required hereunder. The Company is duly qualified and is authorized to do business and is in good standing as a foreign corporation in all jurisdictions in which the nature of its activities and of its properties (both owned and leased) makes such qualification necessary, except for those jurisdictions in which failure to do so would not have a material adverse effect on the Company or its business;

(b) The issuance, sale and delivery of the Subject Offered Shares in accordance with this Subscription Agreement have been duly authorized by all necessary corporate action on the part of the Company. The Subject Offered Shares, when issued, sold and delivered against payment therefor in accordance with the provisions of this Subscription Agreement, will be duly and validly issued, fully paid and non-assessable; and

(c) the acceptance by the Company of this Subscription Agreement and the consummation of the transactions contemplated hereby are within the Company's powers and have been duly authorized by all necessary corporate action on the part of the Company. Upon the Company's acceptance of this Subscription Agreement, this Subscription Agreement shall constitute a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except (1) as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights and (2) as limited by general principles of equity that restrict the availability of equitable remedies.

4. Representations and Warranties of Investor. Investor represents and warrants to the Company that each of the following is true and complete in all material respects as of the date of this Subscription Agreement:

(a) **Requisite Power and Authority.** Investor has all necessary power and authority under all applicable provisions of law to execute and deliver this Subscription Agreement and to carry out the provisions hereof. Upon due delivery hereof, this Subscription Agreement will be a valid and binding obligation of Investor, enforceable in accordance with its terms, except (1) as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights and (2) as limited by general principles of equity that restrict the availability of equitable remedies.

(b) **Company Offering Circular; Company Information.** Investor acknowledges the public availability of the Offering Circular which can be viewed on the SEC Edgar Database, under CIK number 0001998818, and that Investor has reviewed the Offering Circular. Investor acknowledges that the Offering Circular makes clear the terms and conditions of the Offering and that the risks associated therewith are described. Investor has had an opportunity to discuss the Company's business, management and financial affairs with directors, officers and management of the Company and has had the opportunity to review the Company's operations and facilities. Investor has also had the opportunity to ask questions of, and receive answers from, the Company and its management regarding the terms and conditions of the Offering. Investor acknowledges that, except as set forth herein, no representations or warranties have been made to Investor, or to any advisor or representative of Investor, by the Company with respect to the business or prospects of the Company or its financial condition.

(c) **Investment Experience; Investor Suitability.** Investor has sufficient experience in financial and business matters so as to be capable of evaluating the merits and risks of an investment in the Offered Shares, and to make an informed decision relating thereto. Alternatively, Investor has utilized the services of a purchaser representative and, together, they have sufficient experience in financial and business matters so as to be capable of evaluating the merits and risks of an investment in the Offered Shares, and to make an informed decision relating thereto. Investor has evaluated the risks of an investment in the Offered Shares, including those described in the section of the Offering Circular entitled "Risk Factors", and has determined that such an investment is suitable for Investor. Investor has adequate financial resources for an investment of this character. Investor is capable of bearing a complete loss of Investor's investment in the Offered Shares.

(d) No Registration. Investor understands that the Offered Shares are not being registered under the Securities Act on the ground that the issuance thereof is exempt under Regulation A promulgated under the Securities Act, and that reliance on such exemption is predicated, in part, on the truth and accuracy of Investor's representations and warranties, and those of the other purchasers of the Offered Shares in the Offering.

Investor further understands that the Offered Shares are not being registered under the securities laws of any state, on the basis that the issuance thereof is exempt as an offer and sale not involving a registrable public offering in such state.

Investor covenants not to sell, transfer or otherwise dispose of any Offered Shares, unless such Offered Shares have been registered under the Securities Act and under applicable state securities laws or exemptions from such registration requirements are available.

(e) Illiquidity and Continued Economic Risk. Investor acknowledges and agrees that there is a limited public market for the Offered Shares and that there is no guarantee that a market for their resale will continue to exist. Investor must, therefore, bear the economic risk of the investment in the Subject Offered Shares indefinitely and Investor acknowledges that Investor is able to bear the economic risk of losing Investor's entire investment in the Subject Offered Shares.

(f) Investor Status. Investor represents that either:

(1) Investor is an "accredited investor" within the meaning in Rule 501(a) of Regulation D under the Securities Act; or

(2) that the Purchase Price, together with any other amounts previously used to purchase Offered Shares in the Offering, does not exceed ten percent (10%) of the greater of Investor's annual income or net worth (or, in the case where Investor is a non-natural person, Investor's revenue or net assets for such Investor's most recently completed fiscal year end).

Investor represents that, to the extent Investor has any questions with respect to Investor's satisfying the standards set forth in subparagraphs (1) and (2), Investor has sought professional advice.

(g) Investor Information. Within five (5) days after receipt of a request from the Company, Investor hereby agrees to provide such information with respect to Investor's status as a Company shareholder and to execute and deliver such documents as may reasonably be necessary to comply with any and all laws and regulations to which the Company is, or may become, subject, including, without limitation, the need to determine the accredited investor status of the Company's shareholders. Investor further agrees that, in the event Investor transfers any Offered Shares, Investor will require the transferee of any such Offered Shares to agree to provide such information to the Company as a condition of such transfer.

(h) Valuation; Arbitrary Determination of Share Purchase Price by the Company. Investor acknowledges that the Share Purchase Price of the Offered Shares in the Offering was set by the Company on the basis of the Company's internal valuation and no warranties are made as to value. Investor further acknowledges that future offerings of securities of the Company may be made at lower valuations, with the result that Investor's investment will bear a lower valuation.

(i) Domicile. Investor maintains Investor's domicile (and is not a transient or temporary resident) at the address provided herein.

(j) Foreign Investors. If Investor is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), Investor hereby represents that Investor is in full compliance with the laws of Investor's jurisdiction in connection with any invitation to subscribe for the Offered Shares or any use of this Subscription Agreement, including, without limitation, (1) the legal requirements within Investor's jurisdiction for the purchase of the Subject Offered Shares, (2) any foreign exchange restrictions applicable to such purchase, (3) any governmental or other consents that may need to be obtained, and (4) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale or transfer of the Subject Offered Shares. Investor's subscription and payment for and continued beneficial ownership of the Subject Offered Shares will not violate any applicable securities or other laws of Investor's jurisdiction.

(k) Fiduciary Capacity. If Investor is purchasing the Subject Offered Shares in a fiduciary capacity for another person or entity, including, without limitation, a corporation, partnership, trust or any other juridical entity, Investor has been duly authorized and empowered to execute this Subscription Agreement and all other related documents. Upon request of the Company, Investor will provide true, complete and current copies of all relevant documents creating Investor, authorizing Investor's investment in the Company and/or evidencing the satisfaction of the foregoing.

5. Indemnity. The representations, warranties and covenants made by Investor herein shall survive the consummation of this Subscription Agreement. Investor agrees to indemnify and hold harmless the Company and its officers, directors and agents, and each other person, if any, who controls the Company within the meaning of Section 15 of the Securities Act, against any and all loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all reasonable attorneys' fees, including attorneys' fees on appeal) and expenses reasonably incurred in investigating, preparing or defending against any false representation or

warranty or breach of failure by Investor to comply with any covenant or agreement made by Investor herein or in any other document furnished by Investor to any of the foregoing in connection with the transaction contemplated hereby.

6. Governing Law; Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Nevada, applicable to agreements made in and wholly to be performed in that jurisdiction with regards to the choice of law rules of such state, except for matters arising under the Securities Act or the Securities Exchange Act of 1934, which matters shall be construed and interpreted in accordance with such laws.

8. Purchase Procedure. Investor acknowledges that, in order to subscribe for the Subject Offered Shares, Investor must, and Investor does hereby, deliver (in a manner described below) to the Company:

In the event any part of this Subscription Agreement is found to be void or unenforceable, the remaining provisions are intended to be separable and binding with the same effect as if the void or unenforceable part were never in this Subscription Agreement. This Subscription Agreement supersedes all prior discussions and agreements between the Company and Investor, if any, with respect to the subject matter hereof and contains the sole and entire agreement between the Company and Investor with respect to the subject matter hereof.
